

YANDISA

UMVUZO BENEFIT

Dear Valued Member,

The **Yandisa Umvuzo Benefit** is designed to provide extra peace of mind when life throws you a curveball.

This benefit can extend your coverage under exceptional circumstances, helping you navigate times when existing benefits might fall short.

WHAT IS THE YANDISA UMVUZO BENEFIT?

It's a **pre-authorised benefit extender** that can cover specific items within your existing plan. You can request up to **R50,000 per family per year**, provided the following criteria are met:

Pre-Authorised:

All requests require pre-approval and will be reviewed by our Clinical Committee.

Benefit Extender:

The item in question must be covered in your plan but may exceed your benefit limits.

Exceptional Circumstances:

The benefit only applies to extraordinary situations, like covering external medical appliances (e.g., a wheelchair) or additional wound care. Scheme exclusions won't qualify.

HOW TO APPLY

1. Complete the application form available on our website.

WHAT TO REMEMBER

The Yandisa Umvuzo Benefit **isn't gap cover** and can't be used to fill gaps between provider rates and Scheme reimbursements.

Exceptional circumstances matter, so our focus is on **extending coverage** to truly make a difference in your health journey.

The Yandisa Umvuzo Benefit will not cover scheme exclusions or apply to primary healthcare benefits.

If you have any questions about this new benefit or need assistance applying, contact us at info@umvuzohealth.co.za.

We're here to help you lead a healthier, happier life.

**Yours in Health,
Umvuzo Health Medical Scheme**
