

RE-IMAGINE

The future of medical aid is about to change forever.

2023
LAUNCH

LET'S RE-IMAGINE HEALTHCARE THE UMVUZO HEALTH 2024 BENEFIT LAUNCH

On 6 October 2023, Umvuzo Health ushered in a new era of healthcare with the launch of their 2024 member options and rewards at Emperors Palace in Johannesburg.

With a captivating live audience and those joining online from around the country, Umvuzo made it clear that its mission was to redefine healthcare accessibility. The Scheme's progressive and member-centric 2024 benefits were introduced with an impressive 7.07% average increase.

The takeaway: Umvuzo Health is dedicated to ensuring that healthcare remains not just accessible, but cutting-edge and transformative with its new state-of-the-art technology and AI partnerships.

From 1 January 2024, ALL Umvuzo Health members, regardless of benefit option have access to Umvuzo Digital Platform, where they can have many of their healthcare needs met.

TAKING CONTROL OF YOUR HEALTH

The launch also presented experience zones, showcasing advanced patient assessments and tools for more personalised healthcare diagnosis and treatment.

Attendees could get a face-to-face walkthrough of Umvuzo Health's new partners and what they do. These technologies will be available for members as their health needs necessitate.

These included:

- Umvuzo Facial Screening
- Intelligene
- Reboot Pro
- Embiosis
- Vital Life Backpack

THE HUMAN TOUCH

Umvuzo Health's mission is to bring healthcare options that reach every South African. It is not just a privilege, but a right for every individual.

Leveraging AI and technology, we can bridge that gap across the country. It is as easy as having access to the data-free online symptom checker, exceptional client service and making sure every member's voice is heard.
